The Board authorizes the establishment and operation of Extended School Day/Year Programs in any of its schools to be conducted before and after the regular school day and during summer months and other times when school is not in session. Emphasis shall be placed upon extended education services for children even though fees are collected for school-age childcare. No Tennessee Foundation Program funds nor required TFP matching local funds may be used to support childcare provisions of the program.¹

The director of schools shall annually determine fees, if any, to be charged for attending the program.

If any school desires to operate such a program, the Board authorizes the use of student teachers² and licensed teachers.

OBJECTIVES

Program Objectives

1. To provide an enriching and flexible curriculum.
2. To provide for the safety and health of the children.
3. To effectively use school facilities

Educational Objectives

1. More guidance and increased learning time.
2. Quality homework time.
3. Quantitative data information.

ELIGIBILITY

The only requirement for eligibility is that the student must be enrolled in the school system.

USE OF FACILITIES
