The Board establishes these broad goals for the conduct of its business management program:

1. To manage buildings and grounds to provide a safe, secure, comfortable, and clean environment for instruction and administration;
2. To provide a building maintenance program which protects the taxpayer's investment in facilities and ensures their continued use;
3. To provide sufficient supplies and equipment for effective teaching and learning;
4. To provide a student transportation system which meets state requirements;
5. To design and implement a program of food services which emphasizes nutritional needs of children as the basis of growth and development of bodies and minds;
6. To collect and maintain data pertinent to educational planning; and
7. To provide a program of insurance protection for system employees, students, and property.

The insurance program may include health, life, and other types of insurance or annuities as the director of schools may direct.
