Board Approved:

11/7/95

1 The Dyer County Board of Education will promote a continuing program of maintenance of all district-
2 owned buildings and grounds which shall provide for the following

- 3
- 4 1. Custodial programs for all schools;
 - 5
 - 6 2. Improvement and maintenance of school buildings and grounds;
 - 7
 - 8 3. Repairs, including repairs of equipment, and painting; and
 - 9
 - 10 4. Determination and disposal of obsolete equipment.

11

12 The following are responsibilities of building principals:

- 13
- 14 1. To oversee the operation of the school plant and require that personnel assigned to the
15 building keep it in a clean, healthful, and pleasant condition;
 - 16
 - 17 2. To make continuing checks for hazardous conditions, including safety and operation of
18 equipment, and prevention of hazardous situations caused by carelessness and report
19 those to the Director of Safety/Director of Maintenance; and
 - 20
 - 21 3. To request, on a timely basis, appropriate maintenance and repairs through appropriate
22 channels.
