Board Approved:

1 Every local board of education shall collect tuition from pupils who are not living in Tennessee. This  
2 tuition shall be paid to the bonded fiscal agent of the respective school system to be placed to the credit  
3 of the respective school fund. However, pursuant to Board policy, a child of a teacher residing out-  
4 side the state may attend a school within the school district where the nonresident teacher is employed  
5 at no tuition charge. These pupils shall not be counted in computing average daily attendance for  
6 purposes of receiving state school funds.
