1 Smoking is prohibited within any indoor school facility in compliance with the federal Pro-Children
2 Act of 2001. T.C.A. 39-17-1604 allows adults to smoke outdoors but not within fifty feet (50') of
3 any entrance to any building or in the presence of children. In addition, after regular hours, adults are
4 allowed to smoke on the property surrounding the institution, but not blocking any entrance to any
5 building. Such property shall not include any public seating areas, including but not limited to,
6 bleachers used for sporting events or public restrooms.
